Highway Department Publishes New State Map for Distribution

Hamlin motorists and other people are advised this week that the spring edition of the Texas Highway Department's official travel maps are being released for public distribution, according to D. C. Greer, State Highway Engineer.

This new four color map in corporate all changes in the state road system through December occasioned by the Department's vast postwar road building program.

There is a generous display of color pictures representing a cross section of the State's industrial and recreational assets.

A message from Governor Beauford H. Jester is printed on the cover. Addressing "motorists everywhere," the Governor invites all to "see and travel in Texas, revel in its sunshine, its modern cities, and scenic beauty."

Except for revisions in the road system and the new pictures, the edition is similar to others issued since the war which have been acclaimed among the best of the state road maps published throughout the nation.

Standard highway warning and directional signs and reproduced on the map to familiarize drivers with road markers.

Size of the Lone Star State is again graphically told by a table of comparative distances. The 868 miles from El Paso to Orange is greater than the 815 miles from El Paso to Los Angeles, California. It is also further than the 760 miles from Laredo to Mexico City, Mexico.

Included also is a small scale map of the United States showing all state capitals and major federal highways.

Texas map is under the direction of R. M. Stene, who performed all the cartography, made the color photographs, and attended to the technical details of production. At 76 Stene's boundless energy and versatile talent uphold his contention that "life begins at 70."

Copies of the new spring edition are available to the traveling public at the Highway Department's main office in Austin, its 25 district offices throughout the State, and at its nine information-bureaus operated at ports of entry into Texas.

Texas Employment Commission Tells of Changes to Farmers

E. C. Beaver, manager of the Stamford office of the Texas Employment Commission announced to Hamlin farmers and others that the taking of claims for Servicemen's Readjustment Allowance and Unemployment Compensation was discontinued Friday because of insufficient funds being appropriated to carry on this phase of work.

Other services reduced, he pointed out, is that claims will be taken in the Stamford office on Thursday of each week only and persons wishing to file claims should not come to that office on any other day other than Thursday for claim purposes.

Personnel, he continued, in the Stamford office will spend their full time on Employment Service activities and the facilities of the office is available as in the past to employers seeking workers and workers seeking employment. He further stated that since January 1 the Employment Service Division of the Commission is engaged in farm placement activity and all farmers are urged to place their orders with them for workers.

There are now in their files applications of several well qualified farm workers who are interested in working through the 1948 crop with someone. If you are in need of a man the service will put in touch with a qualified worker.

There is no charge to either party and office hours, he concluded, are from 8:00 o'clock a. m. to 5:00 o'clock p. m. Monday through Friday and from 8:00 o'clock a. m. to 12:00 noon on Saturday.

This office is located at 125 North Swenson Avenue, phone 52, Stamford.

Gerry Shira left Sunday night for San Francisco, California where she will board a ship to return to Okinawa to resume her Civil Service work. She returned to the States a few days before Christmas from Okinawa where she had been for 17 months. She stated she liked the islands and will be gone for a year.

Mr. and Mrs. Fed Britton of Hamlin attended the annual convention of the Texas and Southwestern Cattle Association which met March 18-19 in El Paso. The major topic was the foot and mouth disease.

Hamlin Will Be Member of New Baseball League

More than \$500 was raised among business men of Hamlin early this week to help finance the entry of Hamlin independent baseball club in a new semi-pro league to be formed among towns of this area when they meet at O'Brien Friday night, April 2.

Expected to be present at the meeting ready to form the organization will be representatives from Anson-Truby, Stamford, Hamlin, O'Brien, Weinert, Rochester, Spurdickens. Other towns of the area have signified their intention to consider joining the organization, and those desiring to do so have been asked to have their representatives present at the meeting.

Conservation Unit Urges Planting of Clover for Stock

California Creek Soil Conservation District cooperators are taking and increasing interest in clover planting this year.

D. L. Valliant of the Plainview-Jones conservation group has planted 59 acres of Madrid and Hubam clover. Last year Valliant only had about nine acres of Madrid variety and no Hubam. Valliant said he was well pleased with the amount of grazing the clover furnished last year. He also said, "My cattle quit taking bone-meal mineral supplement which I kept in the feed trough after they started grazing clover."

Valliant realized the soil improving qualities of clover as well as the financial benefits from grazing. He said, "Some of my maize only made a 1.00 pounds and I know that something is wrong that maize won't cure, so I am trying clover." Valliant has fertilized a small portion of his clover with superphosphate at the rate of 300 to 400 pounds per acre.

Other cooperators in the district that have planted clover recently are: D. D. Conits, L. H. Montgomery, V. B. Rowland, Roy Moritz, A. B. McLennan, Mack Reynolds, V. N. Lindsey, J. I. Teague, M. S. Jean, Mack Claborn, J. C. Fielder, J. H. Reed, H. H. Rowland, A. G. Lasseter and J. W. Benthall Jr.

A number of other cooperators plan to plant clover in the near future. Swedonia conservation group have made several efforts to visit the Spur Experiment Station, but each time inclement weather has prevented them from going.

Recently the Soil Conservation Service has had the use of three agriculture films. These were shown to the Hamlin Veterans Agriculture Class where about 25 saw them. W. G. Pritchett, Stamford High School vocational teacher showed the films to the Science and Vocational Agricultural Classes.

M. T. Turner, the work unit conservator here, showed the films at the Lutheran Church where about 25 people saw them.

Everyone has expressed high opinions of the films. "Rain Drops and Erosion," showed the effect erosion has on both the soil and crops. Also it explained what conservation practices should be used in order to reduce the erosion of the soil. The other film, "Magic in Agriculture," told a story of chemistry. Many things can be produced on the farm are raw materials for the making of manufactured goods, such as clothing, tires and so forth. The film, "Across the Fence," emphasized the necessity of maintaining and improving soil fertility and showed how mineral deficiencies in the soil affect crops and consumers.

Calvary Baptist Church Begins Spring Revival

Hamlin's Calvary Baptist Church will begin their Spring Revival to night (Friday) with the pastor Elder W. E. Nunn doing the preaching and singing conducted by local talent.

Service, spokesman stated, will begin each evening at 7:00 o'clock p. m. with song and devotional services and preaching will be at 7:30 p. m. Services will only be at night except Sunday.

Special Pre-Revival Prayer Services were held Wednesday night preceding the beginning of the Revival.

Elder W. E. Nunn stated that he hoped that: "Our hopes and prayers are that this will be the greatest revival in the history of Calvary Missionary Baptist Church."

A cordial welcome and invitation is extended to everyone to attend each of these services and enjoy the singing and messages.

Texas Retail Sales Percentage Falls

According to a report to The Herald this week from the tabulations of the University of Texas Bureau of Business Research Texas retail sales fell nine per cent to an estimated \$358,000,000 in February.

The decline was counter to the seasonal pattern. However, February sales were four per cent above a year earlier.

February sales of durable goods stores decreased 13 per cent, while non-durable goods stores sales slipped five per cent from January.

Family clothing stores registered the sharpest monthly decline as sales fell 19 per cent. Men's and boy's clothing stores sales ran second, with 17 per cent, and other apparel stores, 16 per cent, florists nine per cent, department stores, six per cent and women's ready-to-wear shops two per cent.

Food sales dropped 13 per cent from January to February, reflecting the recent downturn in commodity prices. Compared with the February 1947 food sales were down one per cent.

Compared with February 1947, shoe store sales slipped 16 per cent, jewelry, 15 per cent and men's and boy's clothing stores, 10 per cent. Gains over February a year ago ranged from one per cent in filling stations to 14 per cent in furniture stores.

Santa Fe carloadings for the week ending March 20 were 23,726 as compared with 26,418 for the same week in 1947.

Cars received from connections totaled 10,890 as compared with 10,595 for the same week in 1947. Total cars moved were 34,616 as compared with 37,013 for the same week in 1947.

Santa Fe handled a total of 34,416 cars in the preceding week of this year.

Where Next?

Three local women went galivanting off to San Angelo Sunday. They drove over to Sweetwater in a car belonging to one of the ladies, then took the Doodle Bug to San Angelo.

After arriving in that city they were escorted over town by a former Hamlinite.

Some time ago they mysteriously disappeared and later we learned they had visited in Altus, Oklahoma.

Brighter lights will soon call these women and they may take off for Dallas.

Pied Pipers Score Second Win Over Abilene Eagles

Hamlin's Pied Pipers didn't let the loss of one game this season slow them down a bit, and went over to Abilene Tuesday and took Abilene High Eagles into camp for a second time this season by beating them 9 to 7. The Pied Pipers had previously defeated the Eagles here 10-9. The game went the full nine innings and Black, ace pitcher of the local high school squad, went the entire distance, allowing 11 hits but was tight in the clutches. He walked six and struck out nine.

Social Security Gives Special Attention to Widows with Young

"The Social Security Act places emphasis on the importance of the family and give special protection to women with young children," said Ralph T. Fisher, manager of the Abilene social security office, this week in a release to The Herald.

"Some women callers," Mr. Fisher continued, "think that benefits are paid only to 65-year-old widows. When a qualified worker of any age dies and leaves a widow who was living with him at the time of his death, she is immediately eligible to receive: (a) Monthly payments for herself and their unmarried children under 19, or (b) a single cash payment if there are no children."

Many women seem to think that in the event of their husband's death they can get back only the few dollars paid in social security premiums. It should come as no surprise to a widow to learn that she and her minor children are eligible for regular monthly payments. Many such benefits are now in force. These monthly benefits frequently mean for children the difference between going to work and going to school. Monthly benefits to widows have been the means of keeping many families together and homes intact.

TRUE STORIES of WEST TEXAS

(By N. H. Kincaid, 2618 Hictory St., Abilene, Texas—Copyrighted)

"WHEN BIG FOOT WALLACE GOT LOST"

Big Foot Wallace, hero of the Mexican War and Indian fighter of West Texas, was lost. Lost in a hotel in New Orleans. Twice he had started out, after listening attentively to the desk clerk's directions; and twice he had somehow

found himself back in the main office.

"Yea, old Dead-Eye Pete, that's me," Wallace muttered, disgusted. "An Injun fighter that can't read the signs!" And he kicked his boot- ed toe against the wall as he considered his predicament.

Big Foot was faced with a new situation and he was quite frankly surprised at his reaction. Why should he feel embarrassed about being unable to find his room? Perfectly at home in the saddle or behind a good team as he drove the stage from San Antonio to El Paso in those troublous days just preceding the Civil War, he had lived in the boy nodded meekly for his eyes were focused on an old sawed-off six shooter that Big Foot seemed to have grasped from the air and was toying with absently as he the midst of danger from the unknown.

There had been the time when through sheer wit he had eluded old Bajo el Sol, the Comanche chieftain raiding the Big Bend Country, when he had tried to get possession of the U. S. Mail. And there had been other experiences, after the days of regular warfare against Mexico, when, as a Ranger, he had brought in some pretty tough hombres along the Western Border.

Fear he could recall, but this feeling that he was experiencing now was something different. And he wasn't sure that he liked it. In fact, he decided quickly, he didn't like it at all. "Why," he muttered, "I'm acting like a loco tenderfoot." Quickly he whirled and strode decisively in the now familiar direction of the registration desk. "Look here," he said to the surprised clerk, "I want one of those uniformed guides!"

Big Foot Wallace followed the bell-hop through the maze of halls in New Orleans' old Poyayune Hotel as it was in those pre-elevator days.

Mr. and Mrs. Tolbert Medlin and children, Shirley and Donnie, of Dallas and Mrs. Maude Medlin of Hobbs, New Mexico have been visiting Mr. and Mrs. G. B. Phillips and Mr. and Mrs. B. B. Phillips.

Sunday guests in the George Ma- lott home was Mr. and Mrs. Joe Schaded of Paducah.

Reaching his room and satisfying himself that his things were all intact, he whirled in time to catch the boy as he was turning to leave.

"Now son," Big Foot drawled gen- tly as he turned the key in the door, "I don't aim to lose my trail again. You sleep over on that there couch and we will leave here together in the morning."

But Wallace didn't notice the boy's fears. He was at ease again now and quite happy. Back on his old footing he was master of the situation

WCS to Have Quarterly Report Monday at Meet

Women's Society of Christian Service of the Hamlin First Baptist Church has finished study of "Great Prayer of the Bible", di- rected by Mrs. L. C. Denton which they found inspirational and helpful. Monday there will be a covered dish luncheon where afterwards quarterly reports will be made.

Mrs. Ed Gardner is leader of the program. Mrs. Taylor Saus and Mrs. W. B. Cotten will be hostesses.

J. A. Lee is still seriously ill at his home. He has been sick for three years but only recently became seriously ill. He is almost 80 years old.

Children of Tom Henderson Meet In Eoff Home

Children of Tom Henderson met in the home of Mr. and Mrs. W. C. Eoff of Hamlin Sunday.

Children included and grandchil- dren were as follows: Mr. and Mrs. Ernest Henderson and son, Bobby, and daughter, Mrs. Dalton Hunn and Brenda and Jimmy all of Dallas, Mr. and Mrs. Claude Smith and Claude Thomas of Mer- kel Tom and Atwell Henderson of Trent.

Morris Books made a business trip to Sweetwater Sunday.

Visitors in the E. Stira home Monday were Mr. and Mrs. Ed Abney of Levelland.

T. A. Penny was called to Silver Lake to attend the funeral of his mother who passed away March 19.

Southwest Farm Markets Sell Steady To A Little Higher During Past Week

Most Southwest farm products sold around steady to a little higher during the past week according to a report to The Herald from the Production and Marketing Administration of the United States Department of Agriculture.

Alternate up and down movements left cotton around \$1 higher, spot middling 15-16 inch closed Monday at 34.30 cents per pound at Dallas.

Eggs weakened very little last week, as the Easter season approached and Monday's markets held mostly steady to firm at near 28 to 40 cents a dozen for current receipts in the Southwest. Poultry gained some strength last week and continued firm to higher Monday. Heavy hens ranged mostly from 27 to 30 cents.

Widespread strikes of packing house workers found only half as many hogs and generally fewer hogs and markets last week as the week before. Many cattle coming to 12 midwest this week's opening sheep markets sheep. However Texas and Oklahoma terminals attracted about as many cattle and more hogs and sheep compared to the previous week's weather-lightened receipts. Broad demand from killers, order buyers and these packers still able to operate helped offset the effect of strike-bound plants who were out of the market, and Southwest livestock prices showed more gains than losses for the week.

Rather seven trends prevailed on Monday's cattle markets, with spots of strength and weakness. Medium and good steers and yearlings ranged from \$23 to \$28 in Texas and Oklahoma and good steers sold from \$25.50 to \$27 at Wichita and Denver.

Active hog markets gained 50 cents to \$1.50 Monday. A spread from \$23.50 to \$24.50 took most good and choice medium weight butchers. Sows moved mainly at \$17 to \$18.50, but San Antonio paid \$20.50. Lambs predominated in this week's opening sheep markets in slow trade. Fort Worth bought

Gests in the B. B. Phillips home over the week-end was Mrs. W. T. Looney and grandson, Kenneth Car. Looney of Lubbock.

Dannie Parker Maberry, son of Mr. and Mrs. J. W. Maberry is ill and in a Rotan hospital.

Mr. and Mrs. M. H. Carmon and Mr. and Mrs. J. R. Hazard of Anson visited Mr. and Mrs. John Hex Sunday.

Miss Betty Jo Wells of St. Ansgar, Iowa, is visiting her parents, Mr. and Mrs. G. M. Wells.

Mrs. O. L. Taulman and son, Otis, of Odessa spent the week-end with her mother, Mrs. W. W. Green.

Mrs. Fred Carpenter and Mrs. Taylor Alvis spent Thursday in Haskell.

choice lambs to \$23.50.

Grain markets fluctuated during the week but closed Monday three to six cents a bushel lower on most types. White corn netted about one or two cents gain, to sell near \$2.95 at Texas common points. No. 1 hard wheat brought \$2.48-2 and No. 2 oats \$1.40 to \$1.44. Milo dropped 15 cents to \$3.70 to \$3.75 per hundred.

Wheat millfeeds averaged higher for the week, but some feeds tended lower. Increased hay offerings moved fairly well. Treated seed peanuts sold around 22 to 23 cents per pound. Southwest wool buying reached a near standstill.

I'm always planning and building for the future of West Texas

WHEN the West Texas Utilities Company built the first high-voltage transmission line in West Texas in 1915—the second in the state—it paved the way for the growth and development of this vast area by making low-cost, dependable electric service available to small and large communities alike. Since the building of the first line, the Company has continually planned and built for the future of West Texas until today it operates more miles of transmission line than any other company in the state.

During 1947, the West Texas Utilities Company constructed 121 miles of additional transmission lines, brought electric service to 6,033 more customers, including 514 rural connections. As a result of careful planning there was no curtailment of the use of electric power. In spite of unprecedented demands and despite shortages of materials and equip-

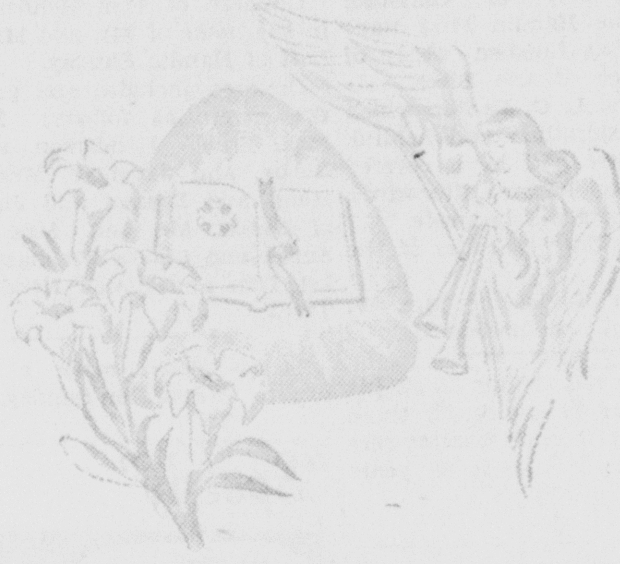

ment, an abundance of electric power was available for all consumers. In fact, 59,879,000 more kilowatt hours of service were provided in 1947 than in the preceding year.

Also, during 1947, more than \$2,800,000.00 in wages were paid to employee citizens of West Texas. During the year \$1,873,000.00 were contributed to local, state, and federal governments.

While supplying the present electric requirements, the people of your service company are devoting full energy to planning and building for the future. During the next four years, the Company will spend \$15,000,000.00 enlarging plants and existing facilities and constructing transmission and distribution lines in an all-out effort to bring low-cost electric service to more and more people—in their homes, on their farms and ranches, and in their businesses.

It's Being Done at Willow Run!

Kaiser-Frazer Introduces Four New 1948 Models

• The 1948 KAISER • The 1948 KAISER CUSTOM
• The 1948 FRAZER • The 1948 FRAZER MANHATTAN

AT NO INCREASE IN PRICE!

While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials . . . has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability . . . the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

We Invite You to SEE, DRIVE and COMPARE Them, Today!

Be Quick To Treat
Bronchitis

Chronic bronchitis may develop if
your cough, chest cold, or acute bron-
chitis is not treated and you cannot
afford to take a chance with any medi-
cine less potent than Creomulsion
which goes right to the seat of the
trouble to help loosen and expel germ
laden phlegm and aid nature to
soothe and heal raw, tender, inflamed
bronchial mucous membranes.

Creomulsion blends beechwood
creosote by special process with other
time tested medicines for coughs.
It contains no narcotics.

No matter how many medicines
you have tried, tell your druggist to
sell you a bottle of Creomulsion with
the understanding you must like the
way it quickly allays the cough, per-
mitting rest and sleep, or you are to
have your money back. (Adv.)

San Angelo visiting Mr. and Mrs.
N. J. Caudle, former Hamlin resi-
dents, who showed them places of
interest in San Angelo. They also
visited with Mrs. Peggy J. Bond.

Ben F. Bailey Seeks
Post of Sheriff
of Jones County

To the Voters of Jones County:
In announcing for the office of
Sheriff of Jones County, Texas, I
wish to say that I am 55 years old
and was born and reared in Jones
County, and am the youngest son of
B. F. Bailey, deceased, who was
one of the County's pioneer mer-
chants.

Soon after the declaration of
World War I, I joined the Army
and saw combat service with the
36th Division in France. During
World War II I spent three years
in the Navy Ship Yard at Mare Is-
land, California.

I served 38 months as a Deputy
Sheriff and Jailor, under Jim Gor-
don, and performed all phases of
the work in connection with the
office.

If I am elected I will treat every
one as near alike as it is possible
to do, and will perform the duties of
the office to the best of my ability.

In asking for your support, I shall
see as many of the citizens of Jones
County as I possibly can, but I
have to work for a living, and if
elected will still bear in mind that
I am working for a living.

Thank you for your support and
influence.—Very Truly Yours, Ben
F. Bailey.

C. D. Hudson of Coleman visited
his mother, Mrs. A. G. Hudson,
over the week-end.

R. B. Boyd Announces
For Commissioner of
Prec. 1, Jones County

I wish to take the opportunity to
announce my name as a candidate
for the office of County Commis-
sioner of Precinct No. 1 of Jones
County, Texas subject to the ac-
tion of the Democratic Primary.

I have been a resident citizen of
this precinct since the month of
February, 1922 and I have been
working for the Commissioner's
Court for the past 15 years and I
feel that I am well and personally
acquainted with problems concern-
ing county road and bridge main-
tenance and that I am qualified by
reason of that experience to serve
as Commissioner.

I can assure you that if elected
I shall do my best to make you a
good Commissioner and I will, if
elected, devote my entire time to
the job of being your Commis-
sioner.

It is my earnest and sincere hope
that I shall be able to see each of
you before July and personally sol-
icite your vote and support, however
if I should be unable to personally
see any of you, I should like for you
to consider this a personal solici-
tation for your vote and influence.
—R. B. (Boone) Boyd.

Mrs. Frank Wagoner gave a birth-

Good tip for any trip!

Take it from those who know travel
and travelers best . . . before any trip,
drain out that dirty old winter oil and
OIL-PLATE your engine with fresh, new
Conoco Nth!

Conoco Nth Motor Oil (Patented)*
contains a plus ingredient that acts mag-
net-like to fasten an extra film of lubri-
cant so closely to metal that your
engine's cylinder walls and all moving

parts are actually OIL-PLATED!

And because protective OIL-PLATING
stays up there where it belongs . . . won't
all drain down even when your engine's
idle overnight . . . Nth Oil extra-protects
from "dry-friction" starts . . . from
power-choking sludge and carbon due
to wear!

For extra-powerful, extra-cool, extra
low-cost miles . . .

Make a date to OIL-PLATE!

From Our Early Files

25 Years Ago—1923

Mrs. E. E. Wheeler of Tulsa is here visiting her parents, Mr. and Mrs. L. P. Cozzens.

Mrs. D. J. Payne left Thursday for her old home in Athens where she will visit her mother, Mrs. Williams and sister, Mrs. Ennis and will be gone for about 10 days.

Mrs. W. B. Teague—the purse found meets your description, come in and get it—The Herald.

Frank Taylor is home from Meridian College taking treatments for weak eyes.

Miss Wilma Taylor spent last week visiting in the home of her

uncle, Ed Reynolds.

Miss Estell Thomas of the local telephone exchange returned Monday from a two week vacation.

Mrs. E. G. Lieb spent last week with her mother, Mrs. J. C. Withers.

H. O. Cassle returned Sunday night from a cold trip on the Plains. He spent nearly all last week in Lamesa and O'Donnell.

10 Years Ago—1938

Dr. Turner Bynum is back in Hamlin among his friends after an absence of many weeks because of illness and is feeling much better. He has sold his hospital and next Friday, April 1, a formal announcement will be made as at that time the new owners will take charge.

As the date of the West Texas Chamber of Commerce Convention draws near the interest increases in the contest for Home Town Representation.

Hamlin has 16 High School students who prepared essays on "My Home Town" and will deliver their speeches to determine the local winner, during the next few days. In the 16 we note the following names: Anita Anderson, Dorothy Fay Elkins, Dorothy Gardner, Joyce Hudson, James Tate May, Peggy Jane Teague, Mildred Barrow, Eva Louise Fowler, Hazel Adkins, Juanita Harbert, Pauline Locke, Maxine Agnew, Julia Pitcock, Peggy Greenway, Clifford Reynolds and Harold Fletcher.

Mr. and Mrs. Bill Rountree entertained the Hoot Owl Club Thursday evening March 17 in their home on Alamo Avenue.

Mrs. Q. Martin was hostess to the Twentieth Century Club in her home on Central Avenue Thursday afternoon of the past week.

Jerry Waggoner is in Big Spring attending a Druggist Convention and will return home Friday, March 25.

Shipments of Cattle Drop; Only Hogs Show Rate Increase

December livestock shipments from Texas stations totaled 5,487 carloads Hamlin ranchmen will be glad to learn, according to a report to The Herald, from the University of Texas Bureau of Business Research.

Shipments of livestock in December dropped 43 per cent below November and 35 per cent below December 1946.

Hog shipments of 759 cars gained 63 per cent between November and

December and 24 per cent below December 1946. All other livestock showed both yearly and monthly declines.

Interstate shipments, plus Fort Worth, in December dropped 51 per cents, to 4,986 cars. Hog shipments jumped 23 per cent, but other livestock declined.

POT-SHOTS FROM McCAULLEY

By GEORGE DARDEN

Our good friend Albert Andress from out Brownfield way sent in his check for \$5 for the McCaulley Cemetery Fund.

Trustee election is the first Saturday in April last year. There are seven board members to be elected and it is your fault if you fail to vote for your choice. If your man is not on the ticket then write whoever you like for the job.

O. R. Lee hands us a year's subscription for The Herald. Thanks. O. R. Burnham sends his check for \$2 for the McCaulley Red Cross Drive. Thanks.

Donkey basketball game at the Ed Mason Gymnasium last Friday night brought thrills and spills to the 500 people who attended.

S. E. Miers contributes \$5 for the Cemetery Fund and also \$5 to the Red Cross Drive.

A group of young preachers and missionaries from Hardin - Simmons University Abilene had charge of the preaching service at the McCaulley Baptist Church last Sunday.

Miss Mary Galloway, teacher in the Sweetwater Schools, was home over the week-end with her parents, Mr. and Mrs. A. A. Galloway.

Mr. and Mrs. Albert Galloway and son visited their son and family, Mr. and Mrs. Albert Galloway Jr., near Rals last week-end.

Mr. and Mrs. O. R. Lee and son, Charley, spent last week-end in Fort Worth with relatives.

Mrs. Buster Heandon from La-

mesa visited her parents, Mr. and Mrs. A. A. Callaway, last week-end.

Bobbie Crowley son of Mr. and Mrs. Clade Crowley and a student at McMurry College at Abilene was home over the week-end.

There are now five men for the Fisher County Judge including: Johnnie McWright, Charley Nunn, A. E. Crowley, M. T. Wilson and U. S. Branscum.

Miss Martha Hicks visited friends in McCaulley last Saturday. She is employed at the Bell Telephone Company in Hamlin.

Mr. and Mrs. Layman Hicks and family visited his parents, Mr. and Mrs. E. M. Hicks, near Ardmore, Oklahoma last week-end.

Mr. and Mrs. Melvin Henderson visited her parents, Mr. and Mrs. S. A. Johnson in Dublin last Sunday.

Red Cross Drive is on in McCaulley. Our quota is \$150 and contributions are coming in very slow. Mail your checks now to the scribe at Box 4, McCaulley. You may need the services of the Red Cross at anytime.

Tom Atkins will again begin work at the cemetery this week and with your contributions we can keep the much needed work going.

Over the grapevine we get the news that 35 oil wells will be drilled soon in this vicinity by a Odessa drilling contractor.

Mr. and Mrs. Charlie Ferguson, former residents of Sylvester, have

moved to McCaulley and are living next door to the F. L. Rectors.

W. A. Hemphill is running concrete floor in the McCaulley Laundry building and hopes soon to be in operation.

McCaulley is in need of rent houses. We could double the population over night if living conditions were available.

Jack Griffith was returned last week to the Veterans Hospital at McKinney after suffering a relapse after a few days home.

Glad to see Mrs. Fiera Mason up and about after being hospitalized recently. Also glad to report Mrs. John Crowley is improved after many days in a hospital at Rotan.

Mrs. C. E. Dick is visiting this week in the home of daughter and family, Mr. and Mrs. Albert Galloway Jr., near Rals.

Mr. and Mrs. Wayne Webb and sons visited his mother in Slaton last Sunday.

Glad to report that Jeff Jones who recently suffered a mangled

arm while at work with a rock crusher in New Mexico is improving.

Martin Dies, former head of the Dies Committee on un-American Activities and Congressman from Texas, for a number of years is about to get the political bug again.

United States farmers now have 34,000,000 turkeys on the farm and although that sounds like a lot of meat, it's 16 per cent less than last year's production.

As the pure lily and the reverent angel are symbolic of Easter -- our sincere greeting symbolizes the wishes we hold for you.

This is SAFEWAY'S guarantee!

We guarantee you the bottom price in your shopping district—grade for grade and quality for quality—on every food store item

We mean this on every item...every day

To avoid wasting time, energy and gasoline in shopping around, our promise of the bottom price goes—**for every food store item—not just one or two "specials" for each and every day you shop—not just for "special" days**

It is Safeway's policy to always sell food at the lowest price. And to be sure of that, it is also Safeway's policy to meet any and every low food price in your neighborhood.

Here's how you can help us keep food prices low:

OUR METHOD of food distribution regularly assures lowest food prices at Safeway. But some day we may miss some "special." We want to give you the lowest prices on "specials" too.

Will you do this? If you see any product on our shelves that you believe can be bought elsewhere for less, tell one of our staff. We will immediately investigate. If the competitive price is for comparable

quality, we will promptly meet the lower price.

Remember, food prices must be low at Safeway. We bring foods in by direct routes, handle them efficiently, cut unnecessary costs. You help keep food distribution costs low by waiting on yourself, paying cash and carrying your purchases home.

By trading at Safeway you earn and are entitled to the lowest food prices.

Special Memorial Service At First Baptist Church

Sunday night at 7:30 o'clock p. m. there will be a special memorial service conducted in the Hamlin First Baptist Church on anniversary of the founding of the local church 42 years ago, according to an announcement by Rev. John H. Osteen, pastor.

Special pulpit guest for the evening will be Rev. J. Henry Littleton, district missionary and former pastor. Short messages from old time members will be given and a few copies of the minutes recorded in the first years of the church history will be read.

All members are urged to come and bring a friend.

Methodist Church To Present Cantata

Canata "The Crucifixion" will be given by the Hamlin Methodist Church Sunday, March 28 at 6:15 o'clock p. m. according to a report to The Herald early this week.

Highway Department Publishes New State Map for Distribution

Hamlin motorists and other people are advised this week that the spring edition of the Texas Highway Department's official travel maps are being released for public distribution, according to D. C. Greer, State Highway Engineer.

This new four color map in corporate all changes in the state road system through December occasioned by the Department's vast postwar road building program.

There is a generous display of color pictures representing a cross section of the State's industrial and recreational assets.

A message from Governor Beauford H. Jester is printed on the cover. Addressing "motorists everywhere," the Governor invites all to "see and travel in Texas, revel in its sunshine, its modern cities, and scenic beauty."

Except for revisions in the road system and the new pictures, the edition is similar to others issued since the war which have been claimed among the best of the state road maps published throughout the nation.

Standard highway warning and directional signs and reproduced on the map to familiarize drivers with road markers.

Size of the Lone Star State is again graphically told by a table of comparative distances. The 868 miles from El Paso to Orange is greater than the 815 miles from El Paso to Los Angeles, California. It is also further than the 760 miles from Laredo to Mexico City, Mexico.

Included also is a small scale map of the United States showing all state capitals and major federal highways.

Texas map is under the direction of R. M. Stene, who performed all the cartography, made the color photographs, and attended to the technical details of production. At 76 Stene's boundless energy and versatile talent uphold his contention that "life begins at 70."

Copies of the new spring edition are available to the traveling public at the Highway Department's main office in Austin, its 25 district offices throughout the State, and at its nine information bureaus operated at ports of entry into Texas.

Texas Employment Commission Tells of Changes to Farmers

E. C. Beaver, manager of the Stamford office of the Texas Employment Commission announced to Hamlin farmers and others that the taking of claims for Servicemen's Readjustment Allowance and Unemployment Compensation was discontinued Friday because of insufficient funds being appropriated to carry on this phase of work.

Other services reduced, he pointed out, is that claims will be taken in the Stamford office on Thursday of each week only and persons wishing to file claims should not come to that office on any other day other than Thursday for claim purposes.

Personnel, he continued, in the Stamford office will spend their full time on Employment Service activities and the facilities of the office is available as in the past to employers seeking workers and workers seeking employment. He further stated that since January 1 the Employment Service Division of the Commission is engaged in farm placement activity and all farmers are urged to place their orders with them for workers.

There are now in their files applications of several well qualified farm workers who are interested in working through the 1948 crop with someone. If you are in need of a man the service will put in touch with a qualified worker.

There is no charge to either party and office hours, he concluded, are from 8:00 o'clock a. m. to 5:00 o'clock p. m. Monday through Friday and from 8:00 o'clock a. m. to 12:00 noon on Saturday.

This office is located at 125 North Swenson Avenue, phone 52, Stamford.

She returned to the States a few days before Christmas from Okinawa where she had been for 17 months. She stated she liked the islands and will be gone for a year.

Hamlin Will Be Member of New Baseball League

More than \$500 was raised among business men of Hamlin early this week to help finance the entry of Hamlin independent baseball club in a new semi-pro league to be formed among towns of this area when they meet at O'Brien Friday night, April 2.

Expected to be present at the meeting ready to form the organization will be representatives from Anson-Truby, Stamford, Hamlin, O'Brien, Weinert, Rochester, Spurdickens. Other towns of the area have signified their intention to consider joining the organization, and those desiring to do so have been asked to have their representatives present at the meeting.

Conservation Unit Urges Planting of Clover for Stock

California Creek Soil Conservation District cooperators are taking and increasing interest in clover planting this year.

D. L. Valliant of the Plainview-Jones conservation group has planted 59 acres of Madrid and Hubam clover. Last year Valliant only had about nine acres of Madrid variety and no Habum. Valliant said he was well pleased with the amount of grazing the clover furnished last year. He also said, "My cattle quit taking bone-meal mineral supplement which I kept in the feed trough after they started grazing clover."

Valliant realized the soil improving qualities of clover as well as the financial benefits from grazing. He said, "Some of my maize only made a 1,000 pounds and I know that something is wrong that maize won't cure, so I am trying clover." Valliant has fertilized a small portion of is clover with superphosphate at the rate of 300 to 400 pounds per acre.

Other cooperators in the district that have planted clover recently are: D. D. Conits, L. H. Montgomery, V. B. Rowland, Roy Moritz, A. B. McLennan, Mack Reynolds, V. N. Lindsey, J. I. Teague, M. S. Jean, Mack Claborn, J. C. Fielder, J. H. Reed, H. H. Rowland, A. G. Lasseter and J. W. Benthall Jr. A number of other cooperators plan to plant clover in the near future.

Swedenia conservation group have made several efforts to visit the Spur Experiment Station, but each time inclement weather has prevented them from going.

Recently the Soil Conservation Service has had the use of three agriculture films. These were shown to the Hamlin Veterans Agriculture Class where about 25 saw them. W. G. Pritchett, Stamford High School vocational teacher showed the films to the Science and Vocational Agricultural Classes.

M. T. Turner, the work unit conservatnist here, showed the films at Lutheran Church where about 20 people saw them.

Everyone has expressed high opinions of the films. "Rain Drops and Erosion," showed the effect erosion has on both the soil and crops. Also it explained what conservation practices should be used in order to reduce the erosion of the soil. The other film, "Magic in Agriculture," told a story of chemistry. Many things can be produced on the farm as raw materials for the making of manufactured goods, such as clothing, tires and so forth. The film, "Across the Fence," emphasized the necessity of maintaining and improving soil fertility and showed how mineral deficiencies in the soil affect crops and consumers.

Mr. and Mrs. Fed Britton of Hamlin attended the annual convention of the Texas and Southwestern Cattle Association which met March 18-19 in El Paso. The major topic was the foot and mouth disease.

Calvary Baptist Church Begins Spring Revival

Hamlin's Calvary Baptist Church will begin their Spring Revival to-night (Friday) with the pastor Elder W. E. Nunn doing the preach and singing conducted by local talent.

Service, spokesman stated, will begin each evening at 7:00 o'clock p. m. with singing and devotional services and preaching will be at 7:30 p. m. Services will only be at night except Sunday.

Special Pre-Revival Prayer Services were held Wednesday night preceding the beginning of the Revival.

Elder W. E. Nunn stated that he hoped that: "Our hopes and prayers are that this will be the greatest revival in the history of Calvary Missionary Baptist Church."

A cordial welcome and invitation is extended to everyone to attend each of these services and enjoy the singing and messages.

Texas Retail Sales Percentage Falls

According to a report to The Herald this week from the tabulations of the University of Texas Bureau of Business Research Texas retail sales fell nine per cent to an estimated \$358,000,000 in February.

The decline was counter to the seasonal pattern. However, February sales were four per cent above a year earlier.

February sales of durable goods stores decreased 13 per cent, while non-durable goods stores sales slipped five per cent from January.

Family clothing stores registered the sharpest monthly decline as sales fell 19 per cent. Men's and boy's clothing stores sales ran second, with 17 per cent, and other apparel stores, 16 per cent. On the other hand, farm implement dealers sales gained 11 per cent, florists nine per cent, department stores, six per cent and women's ready-to-wear shops two per cent.

Food sales dropped 13 per cent from January to February, reflecting the recent downturn in commodity prices. Compared with the February 1947 food sales were down one per cent.

Compared with February 1947, shoe store sales slipped 16 per cent, jewelry, 15 per cent and men's and boy's clothing stores, 10 per cent. Gains over February a year ago ranged from one per cent in filling stations to 14 per cent in furniture stores.

Santa Fe Carloadings Down; Connections Show Increase

Santa Fe carloadings for the week ending March 20 were 23,726 as compared with 26,413 for the same week in 1947.

Cars received from connections totaled 10,890 as compared with 10,595 for the same week in 1947. Total cars moved were 34,616 as compared with 37,013 for the same week in 1947.

Santa Fe handled a total of 33,416 cars in the preceding week of this year.

Where Next?

Three local women went galivanting off to San Angelo Sunday. They drove over to Sweetwater in a car belonging to one of the ladies, then took the Doodle Bug to San Angelo.

After arriving in that city they were escorted over town by a former Hamlinite.

Some time ago they mysteriously disappeared and later we learned they had visited in Altus, Oklahoma. Brighter lights will soon call these women and they may take off for Dallas!

Pied Pipers Score Second Win Over Abilene Eagles

Hamlin's Pied Pipers didn't let the loss of one game this season slow them down a bit, and went over to Abilene Tuesday and took Abilene High Eagles into camp for a second time this season by beating them 9 to 7. The Pied Pipers had previously defeated the Eagles here 10-9. The game went the full nine innings and Black, ace pitcher of the local high school squad, went the entire distance, allowing 11 hits but was tight in the clutches. He walked six and struck out nine.

Social Security Gives Special Attention to Widows with Young

"The Social Security Act places emphasis on the importance of the family and give special protection to women with young children," said Ralph T. Fisher, manager of the Abilene social security office, this week in a release to The Herald.

"Some women callers," Mr. Fisher continued, "think that benefits are paid only to 65-year-old widows. When a qualified worker of any age dies and leaves a widow who was living with him at the time of his death, she is immediately eligible to receive: (a) Monthly payments for herself and their unmarried children under 19, or (b) a single cash payment if there are no children."

Many women seem to think that in the event of their husband's death they can get back only the few dollars paid in social security premiums. It should come as no surprise to a widow to learn that she and her minor children are eligible for regular monthly payments. Many such benefits are now in force. These monthly benefits frequently mean for children the difference between going to work and going to school. Monthly benefits to widows have been the means of keeping many families together and homes intact.

Jack Ellison Receives Watch As Player in Harbor Bowl Game

Eighteen 21-jewel wrist watches and seven pairs of cowboy boots were awarded Tuesday morning to Hardin-Simmons University Abilene cowboys who participated in the New Years Day Harbor Bowl grid game in San Diego, California.

Jack Ellison of Hamlin was one of the 18 receiving a wrist watch. Upon the watches were inscribed the players name and the score of the game, HS-U 53, San Diego State O. On the dial is the name Harbor Bowl.

Seven members were awarded boots made of purple and gold leather signifying the school's colors. Player's name and Harbor Bowl was inscribed on the boots. Athletic director and head football coach Warren B. Woodson gave the awards in a chapel exercise.

Pied Pipers Lose First Season's Game To Sweetwater

Sweetwater's high school baseball club showed too much class in their first appearance at the local park and defeated the Pied Pipers 10-9 for their first defeat, after winning four straight encounters. Wildness of Hamlin pitchers and errors also contributed to the loss of the game.

Score by innings: R H E
Sweetwater 021 023 2-9 8 0

TRUE STORIES of WEST TEXAS

(By N. H. Kincaid, 2618 History St., Abilene, Texas—Copyrighted)

"WHEN BIG FOOT WALLACE GOT LOST"

Big Foot Wallace, hero of the Mexican War and Indian fighter of West Texas, was lost. Lost in a hotel in New Orleans. Twice he had started out, after listening attentively to the desk clerk's directions; and twice he had somehow

found himself back in the main office.

"Yea, old Dead-Eye Pete, that's me," Wallace muttered, disgusted. "An Injun fighter that can't read the signs!" And he kicked his boot-tie against the wall as he considered his predicament.

Big Foot was faced with a new situation and he was quite frankly surprised at his reaction. Why should he feel embarrassed about being unable to find his room? Perfectly at home in the saddle or behind a good team as he drove the stage from San Antonio to El Paso in those troublous days just preceding the Civil War, he had lived in the boy noddled meekly for his eyes were focused on an old scow-off six shooter that Big Foot seemed to have grasped from the air and was toying with absently as he the midst of danger from the unknown.

There had been the time when through sheer wit he had eluded old Bajo el Sol, the Comanche chieftain raiding the Big Bend Country, when he had tried to get possession of the U. S. Mail. And there had been other experiences, after the days of regular warfare against Mexico, when, as a Ranger, he had brought in some pretty tough hombres along the Western Border.

Fear he could recall, but this feeling that he was experiencing now was something different. And he wasn't sure that he liked it. In fact, he decided quickly, he didn't like it at all. "Why," he muttered, "I'm acting like a loco tenderfoot."

Quickly he whirled and strode decisively in the now familiar direction of the registration desk. "Look here," he said to the surprised clerk, "I want one of those uniformed guides!"

Big Foot Wallace followed the bell-hop through the maze of halls in New Orleans' old Poyay Hotel as it was in those pre-elevator days.

Mr. and Mrs. Tolbert Medlin and children, Shirley and Donnie, of Dallas and Mrs. Maude Medlin of Hobbs, New Mexico have been visiting Mr. and Mrs. G. B. Phillips and Mr. and Mrs. B. B. Phillips.

Sunday guests in the George Malouf home was Mr. and Mrs. Joe Schaded of Paducah.

Reaching his room and satisfying himself that his things were all intact, he whirled in time to catch the boy as he was turning to leave. "Now son," Big Foot drawled gently as he turned the key in the door, "I don't aim to lose my trail again. You sleep over on that there couch and we will leave here together in the morning."

But Wallace didn't notice the boy's fears. He was at ease again now and quite happy. Back on his old footing he was master of the situation.

It's Being Done at Willow Run!

Kaiser-Frazer Introduces Four New 1948 Models

- The 1948 KAISER • The 1948 KAISER CUSTOM
- The 1948 FRAZER • The 1948 FRAZER MANHATTAN

AT NO INCREASE IN PRICE!

While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials... has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men, who are injecting new methods and ideas into an old industry.

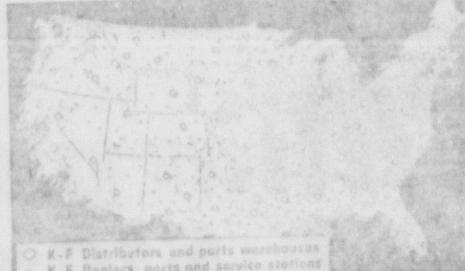

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability... the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

We Invite You to SEE, DRIVE and COMPARE Them, Today!

Ben F. Bailey Seeks Post of Sheriff of Jones County

To the Voters of Jones County:
 In announcing for the office of
 Sheriff of Jones County, Texas, I
 wish to say that I am 55 years old
 and was born and reared in Jones
 County, and am the youngest son of
 B. F. Bailey, deceased, who was
 one of the County's pioneer mer-
 chants.

Soon after the declaration of
 World War I, I joined the Army
 and saw combat service with the
 36th Division in France. During
 World War II I spent three years
 in the Navy Ship Yard at Mare Is-
 land, California.

I served 38 months as a Deputy
 Sheriff and Jailor, under Jim Gor-
 don, and performed all phases of
 the work in connection with the
 office.

If I am elected I will treat every
 one as near alike as it is possible
 to do, and will perform the duties of
 the office to the best of my ability.
 In asking for your support, I shall
 see as many of the citizens of Jones
 County as I possibly can, but I
 have to work for a living, and if
 elected will still bear in mind that
 I am working for a living.

Thank you for your support and
 influence.—Very Truly Yours, Ben
 F. Bailey.

C. D. Hudson of Coleman visited
 his mother, Mrs. A. G. Hudson,
 over the week-end.

R. B. Boyd Announces For Commissioner of Prec. 1, Jones County

I wish to take the opportunity to
 announce my name as a candidate
 for the office of County Commis-
 sioner of Precinct No. 1 of Jones
 County, Texas subject to the ac-
 tion of the Democratic Primary.

I have been a resident citizen of
 this precinct since the month of
 February, 1922 and I have been
 working for the Commissioner's
 Court for the past 15 years and I
 feel that I am well and personally
 acquainted with problems concern-
 ing county road and bridge main-
 tenance and that I am qualified by
 reason of that experience to serve
 as Commissioner.

I can assure you that if elected
 I shall do my best to make you a
 good Commissioner and I will, if
 elected, devote my entire time to
 the job of being your Commis-
 sioner.

It is my earnest and sincere hope
 that I shall be able to see each of
 you before July and personally sol-
 icit your vote and support, however
 if I should be unable to personally
 see any of you, I should like for you
 to consider this a personal solici-
 tation for your vote and influence.
 —R. B. (Boone) Boyd.

Good tip for any trip!

Take it from those who know travel
 and travelers best . . . before any trip,
 drain out that dirty old winter oil and
 OIL-PLATE your engine with fresh, new
 Conoco Nth!

Conoco Nth Motor Oil (Patented)*
 contains a plus ingredient that acts mag-
 net-like to fasten an extra film of lubri-
 cant so closely to metal that your
 engine's cylinder walls and all moving

parts are actually OIL-PLATED!
 And because protective OIL-PLATING
 stays up there where it belongs . . . won't
 all drain down even when your engine's
 idle overnight . . . Nth Oil extra-protects
 from "dry-friction" starts . . . from
 power-choking sludge and carbon due
 to wear!

For extra-powerful, extra-cool, extra
 low-cost miles . . .

Make a date to OIL-PLATE!

Shipments of Cattle Drop; Only Hogs Show Rate Increase

December livestock shipments from Texas stations totaled 5,487 carloads. Hamlin ranchmen will be glad to learn, according to a report to The Herald, from the University of Texas Bureau of Business Research.

Shipments of livestock in December dropped 43 per cent below November and 35 per cent below December 1946.

Hog shipments of 759 cars gained 63 per cent between November and

December and 24 per cent below December 1946. All other livestock showed both yearly and monthly declines.

Interstate shipments, plus Fort Worth, in December dropped 51 per cents, to 4,986 cars. Hog shipments jumped 23 per cent, but other livestock declined.

POT-SHOTS FROM McCauley

By GEORGE DARDEN

Or good friend Albert Andress from out Brownfield way sent in his check for \$5 for the McCauley Cemetery Fund.

Trustee election is the first Saturday in April lest you forget. There are seven board members to be elected and it is your fault if you fail to vote for your choice. If your man is not on the ticket then write whoever you like for the job.

O. R. Lee hands us a year's subscription for The Herald. Thanks. O. R. Burnham sends his check for \$2 for the McCauley Red Cross Drive. Thanks.

Donkey basketball game at the Ed Mason Gymnasium last Friday night brought thrills and spills to the 500 people who attended.

S. E. Miers contributes \$5 for the Cemetery Fund and also \$5 to the Red Cross Drive.

A group of young preachers and missionaries from Hardin - Simmons University Abilene had charge of the preaching service at the McCauley Baptist Church last Sunday.

Miss Mary Galloway, teacher in the Sweetwater Schools, was home over the week-end with her parents, Mr. and Mrs. A. A. Galloway.

Mr. and Mrs. Albert Galloway and son visited their son and family, Mr. and Mrs. Albert Galloway Jr., near Ralls last week-end.

Mr. and Mrs. O. R. Lee and son, Charley, spent last week-end in Fort Worth with relatives.

Mrs. Buster Heandon from La-

mesa visited her parents, Mr. and Mrs. A. A. Callaway, last week-end.

Bobbie Crowley son of Mr. and Mrs. Clade Crowley and a student at McMurry College at Abilene was home over the week-end.

There are now five men for the Fisher County Judge including: Johnnie McWright, Charley Nunn, A. E. Crowley, M. T. Wilson and U. S. Branscum.

Miss Martha Hicks visited friends in McCauley last Saturday. She is employed at the Bell Telephone Company in Hamlin.

Mr. and Mrs. Layman Hicks and family visited his parents, Mr. and Mrs. E. M. Hicks, near Ardmore, Oklahoma last week-end.

Mr. and Mrs. Melvin Henderson visited her parents, Mr. and Mrs. S. A. Johnson in Dublin last Sunday.

Red Cross Drive is on in McCauley. Our quota is \$150 and contributions are coming in very slow. Mail your checks now to the scribe at Box 4, McCauley. You may need the services of the Red Cross at anytime.

Tom Atkins will again begin work at the cemetery this week and with your contributions we can keep the much needed work going.

Over the grapevine we get the news that 35 oil wells will be drilled soon in this vicinity by a Odessa drilling contractor.

Mr. and Mrs. Charlie Ferguson, former residents of Sylvester, have

moved to McCauley and are living next door to the F. L. Rectors. W. A. Hemphill is running concrete floor in the McCauley Laundry building and hopes soon to be in operation.

McCauley is in need of rent houses. We could double the population over night if living conditions were available.

Jack Griffith was returned last week to the Veterans Hospital at McKinney after suffering a relapse after a few days home.

Glad to see Mrs. Flora Mason up and about after being hospitalized recently. Also glad to report Mrs. John Crowley is improved after many days in a hospital at Rotan.

Mrs. C. E. Dick is visiting this week in the home of daughter and family, Mr. and Mrs. Albert Galloway Jr., near Ralls.

Mr. and Mrs. Wayne Webb and sons visited his mother in Slaton last Sunday.

Glad to report that Jeff Jones who recently suffered a mangled

arm while at work with a rock crusher in New Mexico is improving.

Martin Dies, former head of the Dies Committee on un-American Activities and Congressman from Texas, for a number of years is about to get the political bug again.

United States farmers now have 34,000,000 turkeys on the farm and although that sounds like a lot of meat, it's 16 per cent less than last year's production.

As the pure lily and the reverent angel are symbolic of Easter -- our sincere greeting symbolizes the wishes we hold for you.

This is SAFEWAY'S guarantee!

We guarantee you the bottom price in your shopping district—grade for grade and quality for quality—on every food store item

We mean this on every item...every day

To avoid wasting time, energy and gasoline in shopping around, our promise of the bottom price goes—**for every food store item—not just one or two "specials" for each and every day you shop—not just for "special" days**

It is Safeway's policy to always sell food at the lowest price. And to be sure of that, it is also Safeway's policy to meet any and every low food price in your neighborhood.

Here's how you can help us keep food prices low:

OUR METHOD of food distribution regularly assures lowest food prices at Safeway. But some day we may miss some "special." We want to give you the lowest prices on "specials" too.

Will you do this? If you see any product on our shelves that you believe can be bought elsewhere for less, tell one of our staff. We will immediately investigate. If the competitive price is for comparable

quality, we will promptly meet the lower price.

Remember, food prices must be low at Safeway. We bring foods in by direct routes, handle them efficiently, cut unnecessary costs. You help keep food distribution costs low by waiting on yourself, paying cash and carrying your purchases home.

By trading at Safeway you earn and are entitled to the lowest food prices.

The manager of your **SAFEWAY**
